

What is NID/CEED Studio test?

If you have or think you can clear the first round of NID/CEED written test, it's time to know more and start preparing for Studio test 2010.

NID Studio Test is an elaborate 2 day affair at Ahmadabad, where the student is thoroughly tested on all aspect of his personality and keenness of his senses.

The student is subjected to a series of tests which encompass

- Audio Visuals,
- Visualization Tests,
- Material Handling Ability,
- Conceptualization skills,
- Personal assessment of attitudes through an Interview
- Portfolio Review

Let AFD help you through this crucial stage...
