Wills has announced an online contest also where the friends of the participating students can vote for them.

Watch out this space for more fodder on this in the next issue.

## TESTIMONIAL

*The AFD classes for the preparation of the NID and NIFT exams have been of great help to me. I would like to thank all the faculty members, especially Som, Gargi and Julie ma'am for the help and support they offered us throughout the classes. I would also like all my friends from the AFD classes, again specifically Aarushi, Sneha and Tushar. It has been an amazing experience throughout the period of the classes and hope that such endeavors continue for future NID and NIFT aspirants as well. All the best to all the 2010 NID and NIFT aspirants.*
